ANNUAL REPORT

STATE OF NEW HAMPSHIRE

TOWN MEETING WARRANT

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium of the Jaffrey-Rindge Middle School, located on Stratton Road in said Town of Jaffrey at seven o'clock in the afternoon on Tuesday, the 14th of March next, (polls to be open from 9:00 A.M. to 6:00 P.M.) to act upon the following subjects:

1. To choose the following Town Officers:

One Selectman for three years
Town Clerk for three years
Town Treasurer for three years
Tax Collector for three years
Overseer of Public Welfare for one year
Chief Engineer Fire Department for one year
One Water Commissioner for three years
Moderator for two years
Supervisor of Checklist for six years
Recreation Committee - two members for three years

2. That all reports except that of the Budget Committee be accepted as read.

3. To hear the report of the Budget Committee, and to raise and appropriate such such sums of money as may be required for the support of the poor, building and repairing of highways and bridges, fire and police departments, Memorial Day, street and building lighting, and all other Town charges.

4. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money upon the credit of the Town in anticipation of taxes.

5. To see if the Town will vote to allow a discount of $2\frac{1}{2}\%$ for real estate taxes paid within 15 days of the postmarked date of the tax bill, or act in any way relating thereto.

6. To see if the Town will vote to authorize the Selectmen to sell at Public Auction, property acquired or may be acquired by tax sale.

7. To see if the Town will vote to raise and appropriate a sum of \$100,000.00, for the purpose of preparing plans and specifications on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$100,000.00 under and in compliance with the provisions of the Municipal Finance Act (N.H. R.S.A. 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Jaffrey and to allow the Selectmen to expend such monies as become available from the

ANNUAL REPORT

Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and pass any vote relating thereto. (Requires 2/3 vote of those present and voting)

8. To see if the Town will vote to authorize the Selectmen to acquire the Mountain Brook Dam ("Bean Dam") with water rights, or act in any way relating thereto.

9. To see if the Town will vote to raise and appropriate \$42,000.00 to make the necessary repairs to Red Dam, or act in any way relating thereto.

10. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be used in the development of a Master Plan for the Town of Jaffrey, as called for in Chapter 36:13-15, Revised Statutes Annotated, State of New Hampshire, or act in any way relating thereto.

11. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for repainting according to specifications, the exterior of the Old Meeting House, or act in any way relating thereto (By Petition)

12. To see if the Town will vote to authorize the Selectmen to appropriate and expend from the Revenue Sharing Account a sum of money not to exceed \$45,550.00 for the purpose of purchasing of equipment for use of the Town Departments and repair of Town Buildings as indicated below:

Highway Department:	Ten (10) two-way radios	\$ 7,000.00
	Dump Truck	17,000.00
	Sidewalk Plow	900.00
	Mechanic's Equipment as below:	2,650.00
	Mobile lift, portapower and	
	Air stands	
	Parks and Commons listed below:	2,800.00
	Four (4) Hand mowers	
	Motor for existing power mower	
	Motor and repairs to Army Surplus	
	3/4 ton pickup truck	
	Total Requested	\$30,350.00
Town Office:	770 Savin Copier	4,700.00
Police Department:	Police Cruiser	5,000.00
Building Repair:	Library Roof	500.00
	Cutter Memorial Building (Tower)	5,000.00
		<hr/>
		\$45,550.00

13. To see if the Town will vote to authorize the Selectmen, for the purpose of purchasing a snow-blower attachment, to withdraw from the Highway Department Capital Reserve Fund a sum of money not to exceed \$16,000.00, or act in any way relating thereto.

14. To see if the Town will vote to raise and appropriate \$6,000.00 for an additional culvert on Letourneau Drive which culvert will be a 72 inch pipe, arch 40 feet long, or act in any way relating thereto.

ANNUAL REPORT

15. To see if the Town will vote to raise and appropriate \$40,000.00 for reconstruction of Sawtelle Road from Route 124 to Gilmore Pond Road, a distance of 3700 feet, or act in any way relating thereto.

16. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for reconstruction of a portion of Old Sharon Road beginning at the intersection of the newly constructed portion of Old Sharon Road, thence continuing Easterly 320 feet to the approximate front of Coll's Stand or act in any way relating thereto.

17. To see if the Town will vote to raise and appropriate a sum of \$2,800.00 for renovation work at Contoocook Beach, Beach House, and parking lot; and \$2,000.00 for painting, landscaping, seeding, liming, and fertilizing work at Humiston Field for a total sum of \$4,800.00, or act in any way relating thereto.

18. To see if the Town will vote to authorize the Selectmen to establish a Capital Reserve Fund for revenues received during 1977 and subsequent years from the Towns of Rindge and Fitzwilliam as payment for the use of the Jaffrey Landfill for the exclusive purpose of the purchase of equipment used in the operation of the Jaffrey Landfill, or act in any way relating thereto.

19. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the support of the Veterans of Foreign Wars ambulance service or act in any way relating thereto.

20. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 for the appointment of Two (2) school traffic guards for school year 1978, or act in any way relating thereto.

21. To see if the Town will vote to raise and appropriate the sum of \$1,333.00 for the support of the Monadnock Region Association. This sum is based on the formula of five percent (5%) of the Rooms and Meals Tax funds distributed to the Town by the State of New Hampshire in 1977 (\$26,672.00) or take any action relating thereto.

22. To see if the Town will vote to raise and appropriate the sum of \$750.00 to support the Jaffrey Day Care Chapter of the Monadnock Community Day Care Center in 1978 or act in any way relating thereto. (By petition)

23. To see if the Town of Jaffrey will raise and appropriate the sum of \$4,994.00 to support the services of the Monadnock Community Visiting Nurses Association, Inc. This local request for financial support is based on a \$1.16 per capita formula, or act in any way relating thereto.

24. To see if the Town will raise and appropriate the sum of \$708.00 in support of the operating cost of the Cheshire Hospital for the year 1978 or act in any way relating thereto.

25. To see if the Town will vote to raise and appropriate the sum of \$2,472.00 based on a per capita formula of 50¢ in support of the Monadnock Family and Mental Health Service or act in any way relating thereto.

26. To see if the Town will vote to purchase the Abbott property on Main Street and to raise and appropriate for that purpose a sum not to exceed \$43,000.00.

ANNUAL REPORT

27. To see if the Town will vote to discontinue a portion of Jaquith Road South, beginning at a point at the newly constructed road opposite the Donald McSkimmon property; thence running in an easterly and northerly direction to a point where the Old Jaquith Road meets the newly constructed Jaquith Road near the Mary Bullard property.

28. To take up any other business that may be properly brought before the meeting.

Given under our hands and the seal of the Town of Jaffrey, this 20th day of February, 1978.

ANNUAL REPORT

REPORT OF THE SELECTMEN

The time has arrived for the Selectmen of Jaffrey to make an accounting of their stewardship of the Town of Jaffrey for the year ending December 31, 1977.

BUDGET - Good budget building must reflect accurate accountability and true expenditures of all departments. Last year with mutual purpose of Selectmen and Budget Committee, we sought to achieve this goal. This second year of effort has completed, without question, an understanding and awareness without equal in the process of budget building.

For these very reasons you, as taxpayers, have before you the most accurate and explainable cost projections of running our Town ever presented. These projections do not reflect new or additional cost, but accurate and admittedly expensive cost of doing business in these inflationary times. To request of you a budget appropriation for less would serve no purpose except to mislead you into thinking you were to receive the same services for less money. This very course would lead us to under-appropriating the financial needs of this community and undoubtedly result in either the reduction of services or another fiscal deficit adding to the Town's already existing debt that has and still does exist as Jaffrey's own national debt. This debt figure is included in the tax rate we all pay as set by the State's Department of Revenue Administration. This past year, 1977, your Board of Selectmen has operated the Town within its finances and the resulting surplus has been applied to reducing this debt.

At this year's Town Meeting your consideration is needed to direct us in reducing services or your choice of properly funding existing ones. We must be realistic in defining our needs, our appropriations, and our administration to put Jaffrey on a sound financial basis.

CETA - In 1974 the U. S. Congress passed a bill called the Comprehensive Employment and Training Act, better known as CETA. Funds were to be granted to all towns and cities, public or private non-profit agencies. Cheshire County was included in these grants, therefore, the Selectmen of Jaffrey were able to take advantage of these funds and employed CETA personnel to work and make the improvements to different areas in Jaffrey. They were able to do extensive work for the Sewer Department, Parks, Commons, Cemeteries, and playgrounds, etc. Without this program and monies funded by CETA, these improvements would not have been done for several years and then only at the Town's expense. Under this program, it did not cost the Town of Jaffrey any money at all. Total grant or expenditures by CETA was \$30,000.00. The Selectmen have applied for more assistance from CETA for the year 1978 and hopefully, our request will be granted so we can continue to make more improvements in the areas mentioned above without any expense to the taxpayers.

ADMINISTRATION - The Board of Selectmen would like to make you aware that the Town of Jaffrey is operated by more than 110 individuals responsible not only for the day to day operation of the Town, but also responsible for the decision making that affects our future.

These various departments heads, employees, committees, boards, and elected officials have not only the responsibility of managing our budget (which, as you can see, now exceeds three-quarters of one million dollars annually), but also have the responsibility of overseeing the care and maintenance of all the Town's assets which run into millions of dollars.

ANNUAL REPORT

Special note should be made of those individuals who serve the Town in various ways on boards, committees, and other capacities, and receive no monetary compensation for their efforts. It might interest you to know that these individuals comprise more than fifty of the total number of people responsible for the operation of the Town. Recently at an appreciation buffet held at the Monadnock Inn, your Board had a chance to see the majority of these people under one roof for the purpose of thanking them as a group for their unselfish contribution to the community but also providing for the first time in the history of Jaffrey an opportunity for these individuals in an informal atmosphere to compare notes and in general discuss problems of mutual concern. The rewards of this type of interplay can have benefits far beyond expectation.

We, the Board of Selectmen of Jaffrey, wish to take this opportunity to express our sincere appreciation for all the cooperation, criticism, both favorable and unfavorable, and all assistance given us in the discharge of our duties.

Respectfully submitted,

BOARD OF SELECTMEN

Henry S. Gallup, Chairman
Robert E. Bussiere
Howard O. Williams

ANNUAL REPORT

ABSTRACT OF TOWN MEETING

March 8, 1977

The Annual Town Meeting of the Town of Jaffrey, New Hampshire was held Tuesday, March 8, 1977 at the Ernest J. Pratt Auditorium, Conant High School, in said Town of Jaffrey at 9:00 A.M.

Blake Street, 500 feet
Forcier Way, 550 feet
Skyline Drive, 500 feet
Old Peterborough Road, 1,200 feet

TOWN CONSTRUCTION

Old Sharon Road (partial), 1,200 feet
Pierce Crossing Road (partial), 1,020 feet
Gilmore Pond Road, 1,900 feet
Squantum Road, 2,100 feet

TRA: Completion of Prescott Road

WINTER AND SUMMER: Snow removal and routine maintenance

Work proposed for 1978:

TAR, including ditching, patching and sealing of the following:
Nutting Road, 5,030 feet
Amos Fortune Road, 3,000 feet
Hadley Road (partial), 5,500 feet

TOWN CONSTRUCTION, rebuild the following:
Howard Hill Road, 2,240 feet

TRA: Bituminous concrete on newly constructed portion of
Squantum Road
Bituminous concrete on part of Tyler Hill Road

WINTER AND SUMMER: Snow removal and routine maintenance

SEWER: Complete Phase 2 of sewer program

SUBJECT TO ARTICLES:

Sawtelle Road
Old Sharon Road (road to Coll's Stand)

I wish to thank the people of Jaffrey for their support, helpfulness and attitude toward the Department of Public Works. It is also my feeling that the DPW has a good crew at this time that work well together; have completed all of the proposed work as outlined on the 1977 budget and stayed within the budget; have performed numerous emergency projects during the past year without any grievances; and are capable of undertaking the proposed work load as shown in the above proposed budget.

Respectfully submitted,

KENNETH E. SAUNDERS, JR.
Superintendent of Public Works

AUDITOR'S CERTIFICATE

We, the undersigned Auditors of the Town of Jaffrey, New Hampshire, do hereby certify that we have carefully examined the reports and accounts of the Selectmen, Town Treasurer, Town Clerk, Trustees of Trust Funds, Tax Collector, Overseer of Public Welfare, Chief of Police, Memorial Day Committee, Superintendent of Public Works, Treasurer of Jaffrey Public Library, Trustees of Alice W. Poole Fund, Conant Cemetery Fund, Jaffrey Municipal Airpark, Amos Fortune Funds, Jaffrey Recreation Department, Jaffrey Bicentennial Committee, and Jaffrey District Court and find them correct in all respects to the best of our knowledge and belief.

February 18, 1978

Peter A. Rivard
Randyl P. Cournoyer, Jr.

Auditors, Town of Jaffrey

ANNUAL REPORT

Report of the Trustees of the Jaffrey Public Library For the year ending December 31, 1977

It has been a busy year at the Library, as shown in the increase in circulation over last year. We are also encouraged by the fact that greater use is being made of the general services of the Library. The film room has been in full use since May, and the renovation of the second floor was started in November. We are hoping that it will be ready for use in the early summer.

Programs and services for children were increased during the year. 130 children signed up for the Summer program, 100 taking part for the 8 weeks, and 75 certificates were awarded at the annual party. Bertie, the bookworm grew right round the Library walls, and caused much interest and enjoyment to children and adults alike. Mrs. Schofield once more held her pre-school story hours, and we are grateful to her for her generous help. A small group of Grade 4-6 girls joined Mrs. Minter in a story-related hour each week, and this ended with a group visit to Andy's Playhouse for a performance of Tom Sawyer. The "Little Red Wagon" delighted everybody when they visited Jaffrey again this year. Three storytimes have been held each week for the Kindergarten children, and for the 1st Grades taking part. With the arrival of our own film projector, we have been able to give two film programs a month, one for pre-school age, and the second for Grades 2-4.

Mrs. Minter joined the staff in June, and was responsible for many unusual and enjoyable programs for children. She takes with her our good wishes in her new position at Nashua Public Library. Mrs. Hampson left at the end of the year, and both patrons and staff will miss her very much. George Barker, our janitor, is retiring at the beginning of 1978, and we are very grateful to him for his long years of service to the Library.

The Trustees wish to thank the many people who have given books, recordings and donations to us this year. We are also especially grateful to the Jaffrey Woman's Club for their voluntary help throughout the year, and to Mrs. Maurice Poulin for her help with Storytimes.

ANNUAL REPORT

PARKS AND COMMONS REPORT

Town Cemeteries: Extensive work was done in all cemeteries along with the regular maintenance of these facilities.

Commons: Charity Square was reworked and landscaped, areas at Town Office were updated and benches fixed and painted, as were part of Library areas and Meeting House lawns and common.

Town Beach: Cleaned, brush cut and repair made to facility for summer season.

Humiston Field and Ice Rink: Ballfields were reworked and playground equipment repaired. Ice rink building was painted inside and out and rink graded, enclosed and lighting added.

Conant High School: Rebuilt softball field, finished hard ball field for play and set up all areas for season play.

Town Building: Minor repairs were made to town buildings, including painting and cleaning.

Proposed work for 1978:

This year, with approval of articles, the department expects to do work at Humiston Field and the Town beach as well as its regular work load.

At this time I wish to express my thanks to department heads and all those who were helpful in seeing us through our first year.

Respectfully,

Phil Tremblay, Foreman

ANNUAL REPORT

CONSULTING ENGINEERS SEWER REPORT

Facilities Planning - Step 1

At the onset of subject project, Whitman & Howard, Inc. found that there was no system map of the entire sewerage system. In fact, there were no plans of many of the sewers and, when plans were available, some lacked information regarding the sewer profiles. So the first step was the preparation of a sewer system map showing the location of all manholes, the sizes and types of sewer pipes, and the invert elevations of sewers at manholes. Since nearly 200 manholes were buried under several inches of bituminous resurfacing, it was necessary to raise the manhole frames and covers to the existing finished roadway grade in order to obtain entry into the manhole for inspection, cleaning, measuring flows and invert elevations, and collecting physical data. Whitman and Howard, with the assistance of town forces, made the field survey locating the buried manholes and determining the grade raise required. All of this work has now been accomplished, including the preparation of plans of the entire existing sewerage system.

Whitman & Howard, Inc. made the study to determine the capacity of the existing underground pipeline system to handle both existing and future sewerage flows. In nearly all cases, the sewers were found to be adequate in size and capacity to handle the design flows in the year 2030; however, it is well known that during a heavy or prolonged rainfall, the sewerage flows entering the waste water treatment plant are more than double those during dry weather periods and cause overloading of the facility. It is quite apparent that there must be either some broken pipes, leaking pipe joints, and/or cross connections between the sanitary and drainage systems and infiltration/inflow analysis now being conducted is scheduled for completion in May, 1978 and should reveal the areas in the community where excessive infiltration and/or inflow can exist. Infiltration is the ground water that enters the sewerage system through broken pipes or leaking pipe joints. Inflow is surface water that enters the sewerage system principally from connections to a drainage system.

A survey was made of the built-up residential areas of the Town not presently served by the municipal sewerage system to ascertain the need for extending the system to serve other areas. Presently there are three (3) such areas that now appear they should be served by the municipal sewer system. One area comprises Lacy Road, Adams Street and River Street. A second area consisted of Letourneau Drive, Kevin Lane, Erin Lane, Brendan Lane and a section of Old Peterborough Road north of Coolidge Street. The third area is along Quantum Road from Contoocook Road to Prescott Road, Contoocook Road between Squantum Road and the Rindge Town Line and Contoocook Drive. Each of these three areas will require a sewerage lift station when the existing system is extended to serve them.

Jaffrey's present contract with Whitman & Howard, Inc. for facilities planning is financed largely by a 75% grant from the Federal government and a 20% grant from the State government. The main purpose of the contract is to make a study of the existing sewerage system to determine its capacity to meet the present and future needs of the community and to provide a preliminary design for the collection system of the waste water treatment facility. It also includes an industrial cost recovery and user charge study, an update of the rules and regulations governing the use of the sewerage system, and an infiltration/inflow analysis.

ANNUAL REPORT

If the facilities planning study and investigation indicates that there is excessive ground and surface water entering the sewer system that would be cost effective to remove to a large degree, a sewerage system should be extended and the size of the waste water treatment facilities should be increased in capacity or upgraded, then the next step should be to proceed into the final design step to meet these requirements.

In Step 2, the final design stage, the cost is mostly financed by a 75% grant from the Federal government and a 20% grant from the State of the eligible portions of the proposed system. This step includes, if necessary, an infiltration/inflow evaluation study to pinpoint the locations of excessive infiltration or inflow and to establish a rehabilitation program for correcting it. It also includes the preparation of final design plans and specifications for construction of sewer extensions, new or replacement sewerage lift stations and new sewerage treatment facilities or modifications to the present waste water treatment facilities. The final design requires such field work as design surveys, land surveys, and soil borings. The only non-eligible of Step 2 for grant participation is land surveys in connection with sewer easements and the acquisition of land for sewer lift stations, permits and licenses and the Step 3 applications for construction grants. These are estimated to cost about \$16,000.00.

The Town's 5% share of the eligible portion together with the State's 20% grant that the town must advance initially is estimated to cost \$34,000.00. The sum of non-eligible and eligible portions that the Town should raise and appropriate is \$100,000.00. During construction the State will repay the Town for that 20% grant. The net cost to the Town for Step 2 is estimated to be about \$32,000.00. The State grant is estimated to be about \$68,000.00 and the Federal grant about \$250,000.00.

WHITMAN & HOWARD, INC.

ANNUAL REPORT

REPORT OF THE JAFFREY WATER COMMISSIONERS FOR 1977

Due to the rapid increase of the population in Jaffrey over the past ten years (over 1,000 people) and the large increase of water consumption (from an average of 40 gallons per person per day to 75 gallons per person per day), it was found that a critical water shortage existed in the Town of Jaffrey. To be more specific, there were days during the months of January and February of 1977 that there was no more than an average day's supply left in storage. Also causing additional problems to the Jaffrey Water Works were the numerous amounts of water freezeups in water services and mains during the winter and spring season of 1977, plus the many breaks that occurred during the year.

It was also noted that the Jaffrey Water Works was running into debt of about \$10,000 for the 1976 year due to the above reasons. Therefore, it was the decision of the Water Commissioners to act upon correcting these conditions. To do so with the help of a Certified Public Accountant and Engineering Consultant firms, it was determined to double the existing water rates, install two new gravel-packed wells, and initiate a metering program. The water rates were doubled in July, 1977 for Jaffrey consumers and after much "red tape" with the New Hampshire Public Utility Commission, the rates were doubled for the customers in Rindge.

After a Special Town Meeting in June of 1977 to raise money for two new gravel-packed wells and appurtenances, an exploratory program to find new well sites commenced in July. To date after drilling and sampling 74 test borings in promising locations throughout the Town, only one well site was suitable to pass the rigid requirements of the New Hampshire Water Supply and Pollution Control Commission to fully develop this site. Construction should start on this project this spring. Because of the problem of only finding one new well site, other sources of supply are being studied (one being full treatment of new open water supplies).

At this time proposals and specifications for the installation of water meters are being studied. Actual installation of water meters should begin during this summer.

Another setback for the Jaffrey Water Works during the latter part of 1977 is the contemplation of the New Hampshire Water Supply and Pollution Control Commission to place Jaffrey on a top priority list to either fully treat our existing open water supplies or eliminate them. Their intention is to complete this proposal within the next five years. At this time as many other Towns in this priority are doing, we are fighting this hoping that Federal and State financial assistances will be available to perform this costly work.

In review, the Jaffrey Water Works and Commissioners have had an exceptionally busy year trying to find solutions to the many problems that have developed. The Water Commissioners (unless otherwise noted) meet publicly every Wednesday evening at 7:30 p.m. at the Town Offices to deal with these specific problems or any others that may occur.

ANNUAL REPORT

REPORT OF WATER CONSULTANT ENGINEERS

During this past year, we have assisted your Board in its search for, and subsequent development of, water supply to supplement existing surface water reservoir and groundwater well sources. The need for additional supplies was illustrated by the severe water shortage experienced by the Town during the winter of 1976-77. Our efforts in the program, to date, have included evaluations of the exploratory well testing program as directed by your Board and a detailed evaluation of groundwater supply development at a proposed well site.

The exploratory well testing program results have indicated that groundwater supply potential in Jaffrey is limited. Geologic conditions are apparently not conducive to development of municipal-sized groundwater systems within the majority of the Town. However, it appears that some potential groundwater supplies may exist at locations several miles from the existing water distribution system. At present, these supplies do not appear cost-effective to develop as municipal supplies.

The exploratory well testing program did locate one potential groundwater well site east of Contoocook Inn Road adjacent to the existing distribution system near Contoocook Lake. Our further studies indicated that this site is capable of producing approximately 500,000 gallons per day additional water supply for Jaffrey. The well water has excellent quality characteristics for public consumption except for manganese levels which exceed accepted water quality standards. However, manganese does not present a health hazard. It is considered undesirable to consumers because it can cause discoloration of laundered goods and plumbing fixtures. These conditions can be controlled by several water treatment methods, including chemical addition or removal. These studies were incorporated into a report together with our conclusions and recommendations to acquire the necessary property and construct an additional groundwater supply well at this site. The New Hampshire Water Supply and Pollution Control Commission has concurred with this recommendation and has approved this site for the development of a municipal groundwater well supply.

Under your direction, we are presently designing the well pumping station facilities to be built at this site. We anticipate that construction of these facilities will begin by June and that the facility will possibly be operational by next fall.

The water supply well at the Contoocook Lake site will offer a major new supply for the Town. It will increase Jaffrey's dependable water supply yield by approximately 70% over existing sources. However, the total combined water supply yield including the proposed new well supply and the existing sources is only capable of fulfilling the estimated 1980 water demands. Therefore, additional water supply capacity will be needed within two years. Additional water supply investigations are needed to determine the most cost-effective water supply development to meet these needs.

Camp Dresser & McKee is pleased to be able to assist the Jaffrey Water Works in its development of additional water supply and we look forward to a continuing involvement in the future.

CAMP DRESSER & MCKEE, INC.

ANNUAL REPORT

JAFFREY CONSERVATION COMMISSION Jaffrey, New Hampshire

December 31, 1977

To the Honorable Board of Selectmen
Town of Jaffrey, New Hampshire

Herewith is the report of the Conservation Commission for the year ending December 31, 1977.

Early in the year, we became an intervener before the Federal Power Commission (FPC) in its hearings regarding the proposed TAPCO gas pipeline. The FPC ruled against having the pipeline pass through Jaffrey, and our letter was incorporated into the published proceedings.

In what we hope will be a continuing project, we sponsored two girls, Roberta Tremblay and Pamela Desmarais at the Bear Brook Conservation Camp, sponsored by the Society for the Protection of New Hampshire Forests. Funding for the girls tuition was provided by several of the town's business and civic organizations.

We have continued our research into various methods and the associated costs of repairing Red Dam. In this connection we have received cost estimates from two engineering firms. Since the estimates differ by about \$20,000.00, the aid of the Superintendent of Public Works has been solicited in an effort to reconcile the two estimates and to advise in what ways costs can be reduced. While we are concerned about getting Red Dam repaired, our best estimates, and that of engineers, whom we have consulted is that failure of the dam will not create an emergency situation in the town. The slope from Red Dam down through the town is quite slight. Therefore, no big head of water is expected to sweep through town. Our expectation is that failure of Red Dam would only cause the draining of Contoocook Lake back to its historic original size.

The review of all Dredge and Fill Permit applications is one of our duties. Notable among those reviewed in 1977 was the application filed by the State Department of Highways for repairs to U.S. Route 202 West of town. Despite our caution to the Special Board, the permit was granted, with well publicized results.

We have cooperated, also, with the Board of Adjustment in the review of applications for variances from our Wetlands Ordinance.

Presently, we are involved in a joint project with your Board and the New Hampshire Association of Conservation Commissions. Hopefully Together we can arrive at an equitable solution to the problem at "Bean's Dam" and the Jaffrey Reservoir.

Finally, your Chairman was honored in being asked to address the annual meeting of the Contoocook Lake Area Preservation Association. This was a fine opportunity to publicize the workings of one of your town's agencies.

Respectfully Submitted;
Randyl P. Cournoyer, Jr.
Chairman

ANNUAL REPORT

REPORT OF THE JAFFREY BOARD OF ADJUSTMENT

The function of the Board of Adjustment is probably the least understood of any of the Boards in Town. It is not an advisory Board, such as the Planning Board or Conservation Commission. Rather it is a judicial Board, established by State of New Hampshire law, (RSA 31:66), and is empowered to grant special exceptions and variances to Town ordinances.

Its members are appointed by the Selectmen to decreasing terms of 5 years and its services are strictly voluntary. A Chairman, Vice-Chairman, and Clerk are elected from within the group, and we also have three alternate members to serve in the event a regular member cannot be present.

When we receive an Application for Appeal we notify all abutters by mail, notify the appropriate Town officials, and post the notice of hearing on the bulletin board in the Town office building and also in the local newspaper. Our hearings are held on the first Tuesday of each month at 7:30 P.M. in the Jaffrey District Courtroom which is located in the Town office building. At the hearing any citizen, as well as the appellant and abutters, may speak. After the hearing the Board discusses the request and, if we don't feel an inspection of the property is necessary to help us make a decision, we vote on whether or not to grant the request. We then notify the appellant and appropriate Town officials.

This year we have attempted to clarify and improve the Board's working process by: developing standard form for appeals, holding hearings at designated times, instituting a fee system whereby the applicant absorbs the cost of the hearing, (mailing, advertising, etc.), thus eliminating the former practice of passing these costs on to the taxpayers, and improving communications between the Board and the various arms of the Town government.

Our thanks to the people in the Town office building for their help with the many clerical aspects of the job, to the Town counsel for his time and advice, and to the many Townspeople who have voiced their support and understanding of our job. And my personal thanks to the Board members and alternates who have given so much of their time and effort.

Respectfully Submitted;

ANNUAL REPORT

Jaffrey Planning Board Activities for 1977

The Jaffrey Planning Board conducted over thirty preliminary or final hearings on requests for subdivisions during 1977. Additionally, the major effort of the Board consisted of a revision of the Jaffrey Regulations to Control Subdivision, on which a public hearing was conducted on December 1, and work toward revision of the Jaffrey Land Use Plan, on which a first Public Hearing is scheduled for January 26, 1978, prior to presenting proposed revisions to the voters. Both of these revisions are preliminary steps in the development of a Master Plan for the future development of Jaffrey, as called for in New Hampshire State Law. The Planning Board solicits and would very much appreciate the views and participation of the citizens of Jaffrey in the formation of a Master Plan, and invites interested citizens to communicate their opinions either informally or by attending public hearings or participating in working sessions.

During 1977, the Planning Board consisted of the following members: Archie Coll, Jr., Philip Cournoyer, Joseph Crocker, Richard Grodin, B. Leonard Krause, H. Charles Royce, and Howard Williams, Selectman Representative. The members of the Board are appointed by the Selectmen for a term of six years or to fill unexpired terms. The Board meets regularly at the Town Offices the second Tuesday of each month at 7:30 P.M. and at other times each month whenever the need for public hearings or working sessions requires.

H. Charles Royce
Chairman

ANNUAL REPORT

JAFFREY RECREATION DEPARTMENT - ANNUAL REPORT

As leisure time in our society increases, greater emphasis is being placed on providing recreation services for people of all ages. The Jaffrey Recreation Department is constantly striving to present programs to meet the growing needs of Jaffrey residents. We are also striving to improve facilities as well as using our existing facilities to their full potential.

The Jaffrey Recreation Department completed its first full year of operation in 1977. Total program participation for the year was 4,265 participants not including Contoocook Beach and Humiston Field Skating Rink where we do not keep attendance records. This figure compares to 1,266 participants during the year 1976.

Following is a brief summary of programs and services offered:

TRIPS

672 people went on trips to the Celtics, the Bruins, The Shrine Circus, Deep Sea Fishing, The Red Sox, Franconia Notch, Whalom Park, Mt. Monadnock, Hampton Beach, Eastern States Exposition, and The New England Patriots.

YOUTH PROGRAMS

DANCE LESSONS- From January through December, Delia Gynan taught ballet, tap, acrobat, and modern jazz to boys and girls between the ages of 3-15. A dance recital was held in June.

ALPINE AND NORDIC SKIING- Twenty boys and girls took part in this competition program which was co-sponsored with Franklin Pierce College.

YOUTH HOCKEY- We have many hockey players ages 9-18 taking part in an ice hockey program co-sponsored with the Peterborough Recreation Department.

TENNIS- Joan Nagle and Cindy Vezina taught beginners and intermediate tennis to many boys and girls in the Spring.

BOYS SUMMER BASKETBALL LEAGUE-Four high school aged teams were comprised in this league with adult player coaches taking part.

YOUTH SOCCER- Over 40 boys and girls took part in this instructional summer program.

TUMBLING AND GYMNASTICS- Louise Nelson again showed her expertise in this field as it is becoming a very popular summer program.

SUMMER PLAYGROUND- We provided a variety of activities for eight weeks with two playground supervisors leading the program.

SWIMMING LESSONS- Over 200 youths took lessons from Joan Nagle in the Winter at the Monadnock Bible Conference; and from Sally Rice and Kathy Blackburn during the summer program at Contoocook Beach.

HUNTER SAFETY- Paul St.Pierre graduated forty students from his annual NRA Hunter Safety Course.

JAFFREY BASEBALL ASSOCIATION- With many coaches and other volunteers giving many hours of their time, the former little League was transformed into the Jaffrey Baseball Association. This new organization allowed for every boy and girl between the ages of 7-12 the chance to play baseball if they so desired. We expanded from four Little League teams in 1976 to six Little League teams and four Pony League teams in 1977. JBA Opening Day was a huge success with all ten teams in uniform and the fire trucks taking part in a parade to Humiston Field.

Jaffrey's Second Invitational Little League Tournament was again a success with Troy taking the championship honors for the second year in a row.

ADULT PROGRAMS

SLIMNASTICS- Celeste Ouellette, Meredith Leach, and Louise Nelson were the instructors trying to help many women keep slim and trim for three nights each week.

TENNIS- With four well-constructed new tennis courts at the school, a renewed interest in learning the basic fundamentals of tennis became important to adults as well as children.

SWIMMING- Swimming for adults became a popular program for many as Joan Nagle taught at the Monadnock Bible Conference.

BALLROOM DANCING- Well known in Jaffrey for many years, the Tollman's were reunited with some of their original students as many adults learned some of the modern steps.

MODERN DANCE AND EXERCISE- Delia Gynan taught this class as many women took advantage of this program.

SCUBA DIVING- Twelve people passed the Scuba course which was held at the Monadnock Bible Conference with final test taken in the Atlantic Ocean.

COED ADULT VOLLEYBALL- The leaders were Roy Stone, Ken Ryan, and David Shattuck.

ADULT BADMINTON- Leader Sam Lafortune

LADIES NIGHT OUT- Leader Kathy Allen

MEN'S BASKETBALL LEAGUE- There was an increasing interest in adult basketball as the program grew from 6 teams in 1976 to 9 teams and two divisions in 1977. Some men in their 50's are enjoying this so called "Kids Game". Jaffrey's first Invitational Adult Basketball Tournament was held in March with 12 teams entering from New Hampshire and Massachusetts. This tournament will now be an annual event.

SPECIAL EVENTS AND CONSTRUCTION WORK

HUMISTON FIELD SKATING RINK- It was a big year for improvements at the skating rink. It began with a Warming Hut Open House which was co-sponsored by the Jaffrey Lions, Saturday, February 26th. Approximately 300 people attended this event which dedicated the New Warming Hut. There was a ribbon cutting ceremony followed by after-

ANNUAL REPORT

noon ice and skating games. In the evening, the Lions and Fritz LaFrenier treated us to a beautiful display of winter fireworks. In the fall, with the help of a CETA project, the Town of Jaffrey, and many volunteers, more finish work was done on the Warming Hut and a concession stand was opened. The rink was enlarged the final time to regulation size, and boards were installed around the perimeter. Thanks go out to all the people who helped with the project, especially the Lions who made it all possible.

AMERICAN LEGION LITTLE LEAGUE FIELD- With the help of a CETA project, which gave us the personnel to do the work, and over \$4,000 raised by the American Legion, not to mention an abundance of volunteer help from the entire community, we now have one of the finest Little League baseball fields to be found anywhere. Special thanks go out to Ted Renauld, the Legion members, and the entire community.

JAFFREY DAY- This first annual event was a success with over 500 people taking part in family and business events in an "Anything Goes" atmosphere. The day was topped off with a barbeque chicken dinner, square dancing, and singing. This event was set up to provide the families and residents of Jaffrey one day a year that we could all get together as a community.

COMMUNITY BULLETIN BOARD- With the help of Triple D, The Woman's Club, The Senior Citizens, and the Jaffrey Community League, Jaffrey now has a Community Bulletin Board which is a permanent structure on the Bean Building below the Town Seal. The Recreation Department posts all community organization bulletins weekly if they are turned in at the office. Thanks go to all who helped make this a valuable community service.

JAFFREY CHRISTMAS- With the Recreation Department sponsoring this event and almost all community organizations taking part by either giving cash donations or service, approximately 1200 people attended the one day program which began at the Jaffrey Grade School and ended at the Town Office Building where the Town tree and street decorations were lit. With continued community organization involvement, this will become an annual event.

HALLOWEEN MASQUERADE BALL- The adults as well as the children enjoyed Halloween in 1977. With over 100 people in costumes, the scary night became a success with a good band as the added attraction.

For a community recreation program to be successful, it takes total community involvement. A lot was accomplished in 1977 because the Jaffrey residents showed that they do believe in the program. The Jaffrey Recreation Department staff and the Jaffrey Recreation Committee would like to thank all the other Town departments and all the people in Jaffrey who helped to produce a successful program in 1977.

ANNUAL REPORT

REPORT OF CIVIL DEFENSE DIRECTOR

Jaffrey's Civil Defense program remains about the same as 1976 with just enough activity to keep us in good standing with State Civil Defense in Concord.

The C.D. Director inspected our three fallout shelters and their supplies and found both shelter and "ransacked" supplies at the Seminary unuseable. Conditions at St.Patricks School and Clay Library were good. All of the shelter supplies will be removed as soon as weather allows. Usable supplies will go to Town of Jaffrey Department's the rest will be taken to our Sanitary Land Fill. The shelters will remain marked, but there are no plans for restocking.

Our State program papers were completed, and the D.P.W. has picked up some useable "inexpensive" surplus property as a result.

Respectfully Submitted;

Charles W. Bacon, Jr.
Director
